

Does your child attend a Gold Medal School?

More than half of Utah's elementary schools have committed to changing their school's health environment by creating opportunities for students and staff to eat healthy, be active, and stay tobacco-free as a part of Gold Medal Schools.

"I support the efforts and policies established by Gold Medal Schools to aid in positive changes to our schools' environments. The program enables students, faculty and staff to learn healthy habits that can last a lifetime and produce better overall mental health, behavior, self esteem, and academic success."
—Governor Jon M. Huntsman, Jr.
